Special Easter Offering

Our congregation has a wonderful opportunity to support both local and international projects that will touch and affect many lives with this year's designated Easter Special Offering recipients.

The **Wauwatosa Food Pantry** has been supported by FCC for many years. The pantry collects, warehouses, and distributes food to low-income families in the Wauwatosa area on an emergency need basis. In total, eighteen Wauwatosa churches sponsor the pantry with contributions of food, money, and volunteer help.

Our monetary donations allow the volunteers to buy non-perishable items to add to the food stocked on the shelves. In these difficult economic times the needs of the pantry continue to grow, and our

financial support is greatly appreciated.

The First Congregational Churches of Wauwatosa and Mukwonago have been driving forces in helping support the **Congregational Church of Myanmar**. This international mission is supported through the National Association Congregational Missionary Society. Rev. John Carson of the NA recently attended the first graduation of students from its Bible College, which we helped start in 2007. In a recent greeting from Rev. Sa Do, he said, "I give my specific thanks... to First Congregational Church for sending their Easter offering gifts for this ministry. We hope that they will be able to extend their prayers for this crucial ministry of CBC."

We ask that you prayerfully consider a generous contribution to these special offering recipients. God's love shines in all of us and the power of your giving will be returned to you and yours in many ways.

Think Spring!!

Work Day at FCC – May 7th

Hurray! Hurray! It's the month of May. Outdoor fun (work?) begins today! It's that time of the year when we are all anxious to get outside and start those backyard chores after being cooped up during the long Wisconsin winter. It is also a time when the Board of Trustees looks to church members of all ages to spend a Saturday morning sprucing up our church. There are projects for any and all skill levels.

Outdoor tasks include raking the debris from the flowerbeds and getting everything ready for the perennials to come up by preparing them for spring planting. Bring along your lawn and garden tools. The big job that needs to be done is spreading the

The Straight Story (G)

Wednesday, April 13, 6:30 PM (New Time!)

Movie critics were thrown for a loop by *The Straight Story*, a thoughtful and gentle film directed by the usually quirky David Lynch. The movie, which garnered critical praise, is based on actual events. Veteran actor Richard Farnsworth (who was nominated

for an Oscar) stars as Alvin Straight, an elderly Iowan who learns his estranged brother has suffered a stroke. The two men haven't spoken for a decade, but Alvin decides he needs to put things right while there's still time. With no driver's license, he sets out for Wisconsin on his riding lawnmower. Along the way, he meets a number of characters who help him both materially and spiritually on his journey. Also starring Sissy Spacek and Harry Dean Stanton. *Run time is 1 hour and 50 minutes.* —Marianne King

Gulliver's Travels

Friday, April 29, 6 PM

When a shipwreck lands Gulliver on the fantastical island of Lilliput, he transforms into a giant — in both size and ego! Gulliver's tall tales and heroic deeds win the hearts of the tiny Lilliputians, but when he loses it all and puts his newfound friends in peril, Gulliver must find a way to undo the damage. Through it all, Gulliver may just learn that it's how big you are on the *inside* that counts. The movie stars Jack Black.

For \$4 you get a great movie, and all the pizza, popcorn, and lemonade you can eat!

Please sign up in the Atrium by Sunday, April 24.

Interim Minister Update

Recent developments have prevented our candidate for the interim minister position from joining us as planned on Wednesday, March 16, 2011. A local bishop in Rev. Blessing's denomination withheld approval of her service with us. We are terribly disappointed at this turn of events. She withdrew, citing that it would be very difficult to do an effective job for our congregation under such pressure within her denomination. Kamila sends her heartfelt good wishes. She is heartbroken that she will not be coming to serve us.

We hope that the members of this

congregation will rally together even as we live through this disappointing news. Please pray for the congregation and the committee. Keep the lines of communication open by speaking with any of the members of the Search Committee or emailing us directly at search@firstchurchtosa.org. Your patience and continued support are very much appreciated.

Youth Brass Players

This spring, Church member and music teacher Jay Allison, is inviting all brass instrument players in middle and high school to rehearse with him on Sunday mornings at 9:15 AM in room 200.

The group will play pre-worship music (5 - 7 minutes) on a designated Sunday.

Please contact Jay at 414-453-8706 if you are interested in playing with the group.

A start date for rehearsals has not been determined at this time.

Spring Work Day continued

mulch, so bring along a cart if you have one.

There's always plenty of cleaning to be done on the inside of the building. Sunday School room furniture and toys in the Nursery need scrubbing. All of the woodwork in the Chapel, the Nave, and the Chancel needs a good cleaning and windows need washing. Furniture in the Parlor, Library, and Friendship Lounge can be polished. The kitchen cupboards and appliances could use a good cleaning if you would rather work in there.

Children are welcome. It is a wonderful way for them to use their energy and help out at the church. They can work with their parents, other adults or youth, depending on their level of independence.

Donuts, coffee, and juice will be available at 8 AM and work starts anytime after that. We can really use everyone's help. We want our meeting house and its grounds to shine! Put the date on your calendar and join us for this time of fellowship and fun with your church family. Sign up at tables in the Atrium in late April or at the church office, so we are sure to have enough goodies for everyone.

See you on the 7th!

Nathan Restyanszki, Brian & Sean Denny, and Sam Hantzsch learn the art of curling at the Pk outing held on March 6th.

More New Staff at FCC

We want to introduce our new building superintendent, Michael "Chip" Smith. He is a native of Waukesha who graduated from Marquette University in 2000 with a degree in writing. He also obtained a Certificate in Biblical Studies from Northwestern College in St. Paul. Since that time he has traveled extensively for pleasure and for various job responsibilities. He had been involved in construction management in several states, and made the decision to return home in 2009 to be closer to family and friends. Most recently he has been supervising maintenance in two hotels and restaurants in the Pewaukee area.

Chip has many hobbies. He enjoys custom construction and designs playhouses. He does winemaking, beekeep-

ing, and recently restored an old gypsy wagon.

When asked why he applied to work at FCC, he said that he liked the idea of

getting out of private industry and working in the non-profit world. The flexibility of the hours was appealing because it would allow him time for his other interests. He said

he worked on the restoration of an 1890 Queen Anne home and finds the church to be a "neat old building" that will be interesting to work in. "It is one thing to build from a set of blueprints; quite another to have hands on experience maintaining a building."

Please introduce yourself to Chip when you see him and welcome him to our "church family."

Breakfast with the Girls

We next gather on Saturday, April 2, 9 AM in Friendship Lounge. Our presenter is Barbara Brown Lee, Chief Educator at the Milwaukee Art Museum. The museum is dedicating the summer of 2011 to China, and they are featuring five exhibits on Chinese art and architecture. These exhibits will run from June 11th to September 11th and will only be seen in Boston, New York, and Milwaukee. This is a special opportunity to view the private retreat of the Emperor Qianlong, who was one of the most important rulers in Chinese history.

Nordic Brass Concludes 4 O'clock Concert Series

On Sunday, April 10, at 4 PM in the Nave, the final 4 O'clock Concert of the season features *The Nordic Brass*. Founded in 1980, *The Nordic Brass* includes the basic brass quintet format, with the addition of other instruments, including percussion. Over the years, the group's musical adaptability and flexibility has allowed it to perform in many unique and varied venues.

Members of the group include Bob Syverson (trumpet), who is an instrumental music teacher in the Elmbrook School District. Bob also plays with the Waukesha Jazz Express and the Concord Chamber Orchestra. Dan Neesley, on tuba, is the principal tuba player with the Waukesha Symphony Orchestra. He also performed with the Brass Band of Battle Creek for 14 years. Sue Beekman (horn) has

taught in the Mukwonago and Hartford school districts. She continues to enjoy playing with the Kettle Moraine Symphony as their principal horn player. A versatile artist, Paul Brozowski currently performs trombone throughout southern Wisconsin with various ensembles ranging in styles from classical to jazz. Phil Rothschadl, on trumpet, teaches middle school in Brookfield and plays the organ at his church. Rounding out the group is Dan Lawitts on percussion. Dan performs with various orchestras and popular music organizations, from drumset to classical percussion instruments.

Invite your family and friends to enjoy this wonderful concert with you. There is no charge; there will be a free will offering.
