A request from Tesha Urban...

From now until April 14, there is a "top choice" voting campaign going on with the *Milwaukee Journal Sentinel*, and our Congregational Home is on the ballot – it seems like we just did this, but it's that time of year again. People look at these top choices in their decision making for health care, and this is an easy way for our congregation to be involved and promote our Home. It's simple – 15 seconds of time:

Click on www.jsonline.com/TopChoice

Click on "HEALTH" category

Click on "Assisted Living Facility or Nursing Home" and vote for Congregational Home – type your name and email

Then click on "Physical Therapist or Sports Medicine Facility" and vote for Congregational Home

Finally, click on "Senior Living Facility" and vote for Congregational Home

We can vote one time a day, so please do so. This would be a feather in the cap for our Home!

Thanks for letting our congregation know –

Blessings,
Tesha
